

## RATED BY PUBLIC AS KEENE SPEECH

Justice Hughes Gives Utterance to His Views on National Preparedness.

## PRESENTATION OF FLAG TO SCHOOL GRADUATES

Declares the Emblem Means "America First" and "Undivided Allegiance"—Symbol of Unity.

Justice Charles E. Hughes for the first time since he has been suggested as a presidential possibility made what has been interpreted to be a "keynote" speech yesterday in the conclusion of the National Cathedral School lawn. Senator Martin of Virginia was the only other public man present when he stated his ideas regarding preparedness.

He declared that the flag "means America first, undivided allegiance; united, strong and efficient; equal to its tasks; also that upon willingness to sacrifice and endure rests the national hope."

## What the Flag Stands For.

Justice Hughes was presenting an American flag to the honor graduates. He told them:

"This flag means more than association and reward. It is the symbol of our national unity, our national endeavor, our national aspiration. It tells of the struggle for independence, of union preserved, of liberty and union, one and inseparable. It means the ideals and honor of this nation have been dearer than life. It means America first. It means our undivided allegiance. It means America united, strong and efficient, equal to its tasks. It means that you cannot be saved by the valor and devotion of your ancestors; that to each generation comes its patriotic duty, and that upon your willingness to sacrifice and endure, rests the national hope."

## Inspiration of Free Institutions.

"It speaks of equal rights; of the inspiration of free institutions exemplified and vindicated; of liberty under law intelligently conceived and administered. There is not a thread in it but it is woven of self-indulgence, weakness and rapacity. It is eloquent of our common interests, outweighing all the divergencies of opinion; and of our common destiny."

"Given as a prize to those who have the highest standing, it happily enforces the lesson that intelligence and zeal must go together; that discipline must accompany emotion; and that we must ultimately rely upon enlightened opinion."

Under the custom of the school, the student to stand at the head of the graduating class receives as a reward the flag which has flown over the school grounds for the year. Several months ago Justice Hughes was invited to make the presentation address, but no announcement of his acceptance was made. He was a member of the graduating class, but he missed it by a few points, taking rank among the first ten.

## Speaker's Opening Remarks.

In beginning his address Justice Hughes told the graduates that the intellectual inheritance of the age counted only as it actually was possessed and used. He said it was a miserable spectacle to see the youth neglecting the lessons of science, the fruits of history, the treasures of literature and art and leading a life small and impoverished amid the opportunities of the twentieth century. Alluding then to the beauty of the prize he was awarding, he told of the associations and memories of school life. He would recall, and conclude with the declaration of the broader national spirit it stood for.

## LAST MEETING OF SEASON FOR VAUGHN CLASS CLUB

Music, Speeches and Supper Features of the Program—New Members Enrolled.

The Vaughn Class Club held its last meeting of the season at the Sunday school house of the Calvary Baptist church last night. Thirteen new members were initiated. There was music, speeches and a supper.

Dr. Mitchell Carroll, honorary teacher of the class, told the members that the world now was at the opening of a new era of civilization. A period of great awakening is at hand, he said.

"It is already noticed," said Dr. Carroll, "in the armies, a spirit of moral intensity and greater belief in God. This shows that the individual man far superior to the government he represents. After the war is over men will realize that the terrible struggle of the spirit of autocracy and militarism against democracy and the interests of the individual is unwarily being won away of old ideas that have persisted in certain quarters, and out of it is going to arise a new and spiritual democracy."

## Talk by Prof. Bliss.

Prof. Louis D. Bliss also spoke, telling the clubmen that men should keep their hearts attuned and receptive to the message of the Bible. He said that C. C. Hutchinson rendered a violin solo. Miss Stewart accompanying on the piano. J. W. Pearson recited "The Trumpet." H. C. Westphal, Charles English and Noble H. Rogers sang English and Irish songs. The choir, consisting of Indian and Baptist minister from Oklahoma, brought greetings from the south.

Those initiated last night were: Otto B. Burton, Joseph R. Hobbs, F. H. Sprague, L. A. Burton, G. C. Rush, Robert E. McCulloch, E. J. Green, James B. Baker, Charles English, Roger A. Fox, Charles P. Wagner, Richard T. Vint and Harry Yager.

## Cruiser Boston Goes to Scrap Heap.

The guns of the old cruiser Boston sounded for the last time last week when they fired a salute to the cruiser Marblehead, upon her arrival at Portland, Ore., to become the training ship for the Oregon naval militia. The Boston has been stationed at Portland for several years. Her machinery long since went into disuse, and she was to be scrapped. The Boston was launched March 3, 1883; was placed in commission four years later, and was one of the first steel ships of the navy. The Boston was in Admiral Dewey's fleet at Manila bay, May 1, 1898, being commanded by Capt. Frank Wildes.

## HOUSE GIVES CONSENT TO SENATE TO ADJOURN

The House adopted a resolution late yesterday afternoon giving consent to the Senate to adjourn from Saturday, June 3, to Thursday, June 8, thus putting an end to the strike created by the Senate's adjourning last week for more than three days without seeking the consent of the House. Speaker Clark and other members of the House yesterday denounced the action of the Senate and claimed that the provision of the Constitution to the effect that "neither house, during the session of Congress, shall, without the consent of the other, adjourn for more than three days nor to any other place than that in which the two houses shall be sitting," had been infringed upon by the Senate.

The resolution was offered by Representative Fitzgerald of New York, who said that he thought the Senate should have formally requested the consent of the House to adjourn for more than three days before taking that action. He admitted that several senators had informally requested the adoption of a resolution by the House yesterday.

It seems to me that the House should come to the rescue of the Senate and save it from a plain violation of the Constitution, which it is perhaps too much to expect members of the Senate would observe," said Mr. Fitzgerald, amid considerable laughter.
